Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

37 January 15, 2013

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ISSUANCE AND SALE OF WILLIAM S. HART UNION HIGH SCHOOL DISTRICT GENERAL
OBLIGATION BONDS, 2008 ELECTION, SERIES C (FIFTH DISTRICT) (3 VOTES)**

SUBJECT

The governing board of the William S. Hart Union High School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$172,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements for various school facilities. The repayment of the bonds will be funded from ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT THE BOARD:

Adopt the resolution authorizing the issuance and sale of the William S. Hart Union High School District (Los Angeles County, California) General Obligation Bonds, 2008 Election, Series C, in an aggregate principal amount not to exceed \$172,000,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On November 4, 2008, voters residing in the District approved a ballot measure authorizing the District to issue up to \$300,000,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on December 12, 2012, and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$172,000,000 to be used for authorized purposes. Pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code, the District has requested the County to issue general obligation bonds on its behalf. This will be the third issuance of bonds authorized under this ballot proposition.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #2: Fiscal Sustainability through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits established by law. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected Stone & Youngberg, a division of Stifel Nicolaus as underwriter, and the firm of Bowie, Arneson, Wiles and Giannone as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

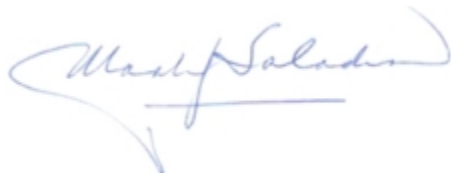

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

The Honorable Board of Supervisors

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS FOLLOWS:

Section 1. Recitals; Incorporation of District Resolution. The foregoing recitals are true and correct and are incorporated herein by this reference. A certified copy of the District Resolution, together with the exhibits thereto, is on file with this County Board and is incorporated herein by reference and all of the provisions thereof are made a part hereof and shall be applicable to the issuance and delivery of the Series C Bonds, except as otherwise specified herein. Notwithstanding the foregoing, the County assumes no liability or responsibility for representations or warranties of the District as set forth in the District Resolution.

Section 2. Purpose and Designation of the Bonds. The purpose of the Series C Bonds is to finance various capital projects for the District as authorized under the Authorization, pursuant to Government Code Sections 53506 *et seq.*, Education Code Sections 15100 *et seq.*, 15150, 15264 and 15266, and to pay all reasonable and necessary costs of issuing and delivering the Series C Bonds pursuant to Government Code Section 53509.5(b) and, as applicable, Education Code Section 15145(a). The Series C Bonds shall be officially designated as the **“William S. Hart Union High School District General Obligation Bonds, 2008 Election, Series C.”**

Section 3. Statutory Authorization. The Series C Bonds are authorized to be issued and sold by the County in the name of the District pursuant to the Election, the Authorization, the District Resolution, the California Constitution, this Resolution, the provisions of Government Code Sections 53506 *et seq.*, and to the extent applicable, Education Code Sections 15100 *et seq.*, 15140 *et seq.*, 15150 and 15266.

Section 4. Negotiated Sale. The Series C Bonds shall be sold at a negotiated sale upon the direction of the District’s Superintendent, Chief Financial Officer, Chief Operations Officer or their designee(s), on behalf of the District, acting together with an authorized representative of the Office of the County Treasurer and Tax Collector (“Treasurer”). The Series C Bonds shall be sold pursuant to the applicable provisions of the Government Code, the Education Code and the terms and conditions set forth in the Purchase Agreement, as described herein.

Section 5. Approval of Purchase Agreement. The form of the Purchase Agreement (as defined herein) for the purchase and sale of the Series C Bonds, substantially in the form attached hereto, is hereby approved and the Treasurer, or the Treasurer’s designee or deputy thereof, is hereby authorized to execute and deliver the Purchase Agreement, on behalf of the County, with such changes therein, deletions therefrom and modifications thereto as the Treasurer, or the Treasurer’s designee, or deputy, shall approve (when such terms are acceptable to the County), such approval to be conclusively evidenced by his or her execution and delivery

thereof; provided, however, that the Principal Amount of the Series C Bonds shall be determined by the District (but in no event to exceed \$172,000,000), the term of the Series C Bonds shall not exceed 40 years, the interest rates on the Series C Bonds shall not exceed maximum true interest cost of six percent (6.00%) and the Underwriter's discount shall not exceed one half of one percent (0.50%) (exclusive of any original issue discount on the Series C Bonds, which original issue discount shall not exceed 5.00%) (and further excluding any amount held by the Underwriter to pay designated costs of issuance under the terms of the Purchase Agreement) of the aggregate Principal Amount of Series C Bonds sold thereunder. The Treasurer, in consultation with the Underwriter and the District is authorized to determine or accept the Principal Amount of each maturity of the Series C Bonds (including any Capital Appreciation Bonds and Convertible Capital Appreciation Bonds), the redemption provisions for the Series C Bonds and the final purchase price for the Series C Bonds (subject to the limitations set forth herein) which shall be set forth in the Purchase Agreement as executed and delivered. True interest cost for purposes of this Section means that nominal interest rate that, when compounded semiannually and used to discount the debt service payments on the Series C Bonds to the dated date(s) of the Series C Bonds, results in an amount equal to the purchase price of the Series C Bonds, excluding interest accrued to the date of delivery. For purposes of this calculation, the premium paid for the policy of municipal bond insurance, if any, shall be treated as interest paid on the Series C Bonds on the date of delivery.

If, upon consultation with the Designated Officer (as defined herein) of the District, the District determines to acquire municipal bond insurance to secure the Series C Bonds, the Treasurer may so provide in the Purchase Agreement.

Hart Union High School District General Obligation Bonds, 2008 Election, Series C.” The Series C Bonds shall consist of Current Interest Bonds, Capital Appreciation Bonds and/or Convertible Capital Appreciation Bonds as set forth in the Purchase Agreement.

The Series C Bonds shall be issued as fully-registered bonds, without coupons, in the following denominations: (i) with respect to the Current Interest Bonds, \$5,000 Principal Amount or any integral multiple thereof, (ii) with respect to the Capital Appreciation Bonds, \$5,000 Maturity Value, or any integral multiple thereof, and (iii) with respect to Convertible Capital Appreciation Bonds, \$5,000 Conversion Value or any integral multiple thereof; provided that one Capital Appreciation Bond may be issued in an odd Maturity Value.

The Current Interest Bonds, if issued, shall be dated the Date of Issuance, and shall bear interest at the rate or rates consistent with the interest cost limitations set forth in Section 5, payable on February 1 and August 1 of each year, commencing on the date specified in the Purchase Agreement (subject to the terms of the Purchase Agreement, as executed and delivered), as may be specified in the Purchase Agreement as executed and delivered (each, an “Interest Payment Date”), the actual interest rate or rates and the actual maturity schedule to be fixed at the time of sale. Each Current Interest Bond shall be issued in denominations of \$5,000 or integral multiples thereof, and shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Interest Payment Date to the Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the fifteenth day of the month next preceding the initial Interest Payment Date, in which event it shall bear interest from the Date of Issuance, computed using a year of 360 days, comprised of twelve 30-day months; provided, however, that if at the time of authentication of any Current Interest Bond, interest is then in default on Outstanding Current Interest Bonds, such Current Interest Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon. The foregoing terms shall be subject to the terms of the Purchase Agreement as executed and delivered.

The Capital Appreciation Bonds, if issued, shall accrete interest from the Date of Issuance of the Capital Appreciation Bonds to their maturity at a rate or rates such that the accretion rate (interest rate) shall not exceed the legal maximum rate. The Capital Appreciation Bonds shall mature in the years and shall be issued in the aggregate Denominational Amount set forth in the Purchase Agreement as executed and delivered and shall have an interest rate and shall have Denominational Amounts per each five thousand dollars (\$5,000) in Maturity Value

as shown in the Accreted Value Table (or equivalent table or schedule) contained in the Purchase Agreement; provided, that in the event that the amount shown in such Accreted Value Table and the Accreted Value calculated by the District and approved by the Bond Insurer, if any, by application of the definition of Accreted Value set forth in Section 6 differ, the latter amount shall be the Accreted Value of such Capital Appreciation Bond. Interest on each Capital Appreciation Bond shall be compounded semiannually on February 1 and August 1 of each year until maturity, or other such date(s) as shall be specified in the Purchase Agreement, commencing on the date of issuance thereof, computed using a year of 360 days, comprised of twelve 30-day months, and shall be payable only at maturity as to their Maturity Amounts or on their redemption date if redeemed prior to their respective stated maturity date(s).

The Convertible Capital Appreciation Bonds, if issued, shall convert to Current Interest Bonds on the Conversion Date. During the period while the Convertible Capital Appreciation Bonds are in the form of Capital Appreciation Bonds, they will not bear interest but will accrete value through the Conversion Date. From and after the Conversion Date, the Convertible Capital Appreciation Bonds will bear interest as Current Interest Bonds, and such interest will accrue based upon the Conversion Value of such Bonds at the Conversion Date. No payment will be made to the Owners of Convertible Capital Appreciation Bonds on the Conversion Date.

The Series C Bonds will be sold as provided in Sections 4 and 5 hereof; notwithstanding anything herein to the contrary, the terms of the Series C Bonds, as set forth in this Resolution, may be amended prior to delivery in accordance with the provisions of the Purchase Agreement, as finally approved and executed. The Series C Bond maturities may be adjusted by the Treasurer and the Designated Officer(s), in consultation with the Underwriter, the Financial Advisor and the District, as appropriate, to provide funds to finance school facilities as set forth in the Authorization and pay for the costs of issuance of the Series C Bonds, provided that the total par amount of the Series C Bonds shall not exceed \$172,000,000. In the event of a conflict or inconsistency between this Resolution and the Purchase Agreement relating to the terms of the Series C Bonds, the provisions and terms of the Purchase Agreement shall be controlling.

Section 8. Redemption.

(a) Optional Redemption. The terms for the optional redemption of the Current Interest Bonds, Capital Appreciation Bonds and Convertible Capital Appreciation Bonds prior to maturity, if any, shall be as specified in the Purchase Agreement.

(b) Mandatory Sinking Fund Redemption of Term Bonds. The Current Interest Term Bonds and Convertible Capital Appreciation Term Bonds after the Conversion Date, are subject to mandatory sinking fund redemption prior to their maturity date from monies in the Debt Service Fund established in Section 19 hereof, on each August 1 (or other date specified in the Purchase Agreement), in the years and amounts as set forth in the Purchase Agreement. In the event that there are no Current Interest Term Bonds or Convertible Capital Appreciation Term Bonds specified in the Purchase Agreement, this subsection shall not apply.

(c) Mandatory Sinking Fund Redemption of Capital Appreciation Term Bonds. The Capital Appreciation Term Bonds (including any Convertible Capital Appreciation Term Bonds before the Conversion Date) are subject to mandatory sinking fund redemption prior to their

maturity date from monies in the Debt Service Fund, by lot, without premium, on each August 1 (or other date specified in the Purchase Agreement), in the years and in the amounts as set forth in the Purchase Agreement and in the Official Statement described herein. In the event that there are no Capital Appreciation Term Bonds or Convertible Capital Appreciation Term Bonds specified in the Purchase Agreement, this subsection shall not apply.

(d) Selection of Bonds for Redemption. Whenever less than all of the outstanding Bonds are to be redeemed, the Paying Agent, upon written direction from the District, shall select the Bonds to be redeemed as so directed, and if not so directed in inverse order of maturity, and within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that (A) the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof, (B) the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value thereof, and (C) the portion of any Convertible Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Conversion Value thereof. The Paying Agent shall promptly notify the District of the Series C Bonds so selected for redemption on such date. In the event that Term Bonds are subject to optional redemption pursuant to Section 8(a), there shall be pro rata reductions in the annual sinking fund payments due on such Outstanding Term Bonds or as shall otherwise be set forth in the Purchase Agreement.

(e) Form of Notice of Redemption. The Paying Agent shall give notice of each designated redemption ("Redemption Notice") of the Series C Bonds at the expense of the District. Such Redemption Notice shall specify: (a) that the Series C Bonds or a designated portion thereof are to be redeemed; (b) if less than all of the then outstanding Bonds are to be called for redemption, shall designate the numbers (or state that all Series C Bonds between two stated numbers both inclusive have been called for redemption) and CUSIP[®] numbers, if any, of the Series C Bonds to be redeemed; (c) the date of notice and the date of redemption; (d) the place or places where the redemption will be made; and (e) descriptive information regarding the Series C Bonds and the specific Series C Bonds to be redeemed, including the dated date, interest rate and stated maturity date of each. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Series C Bond to be redeemed, the portion of the Principal Amount of such Series C Bond to be redeemed, together with interest accrued or accreted, as applicable, to the date of redemption, and redemption premium, if any, and that from and after such date interest with respect thereto shall cease to accrue or accrete, as applicable.

(f) Provision of Notice of Redemption. Any Redemption Notice shall be mailed, first-class postage, to the registered Owners of the Series C Bonds, to a Securities Depository and to a national Information Services, and by first-class mail, postage prepaid, to the District and County and the respective Owners of any registered Series C Bonds designated for redemption at their addresses appearing on the Bond Register, in every case at least thirty (30) days, but not more than sixty (60) days, prior to the designated redemption date; provided that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Series C Bonds nor entitle the Owner

thereof to interest beyond the date given for redemption. A certificate provided by the Paying Agent that notice of such redemption has been given as herein provided shall be conclusive as against all parties, and it shall not be open to a Bond Owner to show that he or she failed to receive notice of such redemption. In case of the redemption as permitted herein of all the Outstanding Bonds of any one maturity, notice of redemption shall be given by mailing as herein provided, except that the notice of redemption need not specify the serial numbers of the Series C Bonds of such maturity.

Neither failure to receive, or failure to send, to the Securities Depositories or Information Services, any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Series C Bonds. Neither the failure to receive such notice, the failure to send such notice, nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Series C Bonds or the cessation of accrual or accretion of interest, as applicable, represented thereby from and after the redemption date.

(g) Contingent Redemption; Rescission of Redemption. Any Redemption Notice may specify that redemption of the Series C Bonds designated for redemption on the specified date will be subject to the receipt by the District of monies sufficient to cause such redemption (and will specify the proposed source of such monies), and neither the District nor the County will have any liability to the Owners of any Series C Bonds, or any other party, as a result of the District's failure to redeem the Series C Bonds designated for redemption as a result of insufficient monies therefor.

Additionally, the District may rescind any optional redemption of the Series C Bonds, and notice thereof, for any reason on any date prior to the date fixed for such redemption by causing written notice of the rescission to be given to the Owners of the Series C Bonds so called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Series C Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission. Neither the District nor the County will have any liability to the Owners of any Series C Bonds, or any other party, as a result of the District's decision to rescind redemption of any Series C Bonds pursuant to the provisions of this subsection.

(h) Payment of Redeemed Bonds. When a Redemption Notice has been given substantially as provided for herein, and, when the amount necessary for the redemption of the Bonds called for redemption (Principal, Accreted Value and interest, as applicable, and premium, if any) is set aside for that purpose in the Debt Service Fund, as provided herein, the Series C Bonds designated for redemption shall become due and payable on the date fixed for redemption thereof and upon presentation and surrender of said Bonds at the place specified in the Redemption Notice, said Bonds shall be redeemed and paid at the redemption price from funds held in the Debt Service Fund.

Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Series C Bonds shall bear or include the CUSIP® number identifying, by issue and maturity, the Series C Bonds being redeemed with the proceeds of such check or other transfer.

(i) Effect of Notice of Redemption. Notice having been given as aforesaid, and the monies for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, or another dedicated fund or account, the Series C Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Series C Bonds to be redeemed as provided in this Section 8, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid (and not rescinded), then from and after such redemption date, interest with respect to the Series C Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Series C Bonds shall be held in trust for the account of the Owners of the Series C Bonds so to be redeemed. All unpaid interest payable at or prior to the designated redemption date shall continue to be payable to the respective Owners, but without interest thereon.

(j) Purchase in Lieu of Redemption. In lieu of, or partially in lieu of, any mandatory sinking fund redemption of Series C Bonds pursuant to the terms hereof, monies in the Debt Service Fund may be used to purchase the Outstanding Series C Bonds that were to be redeemed with such funds in the manner hereinafter provided. Purchases of Outstanding Series C Bonds may be made by the District or the Treasurer through the Paying Agent prior to the selection of Series C Bonds for redemption at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued or accreted interest as applicable. Any accrued interest payable upon the purchase of Series C Bonds may be paid from the Debt Service Fund for payment of interest on the next following Interest Payment Date. Any Series C Bond purchased in lieu of redemption shall be transmitted to the Paying Agent and shall be canceled by the Paying Agent upon surrender thereof, as provided for in Section 8(l) below and shall not be re-issued or resold.

(k) Partial Redemption of Series C Bonds. Upon the surrender of any Series C Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Series C Bond or Series C Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Series C Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(l) Cancellation of Redeemed Bonds. All Series C Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section and Section 15 shall be canceled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Series C Bond purchased by the Treasurer or the District pursuant to subsection (i) above shall be canceled by the Paying Agent and the Paying Agent shall provide a written certification of such cancellation and destruction to the District.

(m) Bonds No Longer Outstanding. When any Series C Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to

maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient monies shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Series C Bonds or portions thereof, and, in the case of Series C Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Series C Bonds shall no longer be deemed outstanding and shall be surrendered to the Paying Agent for cancellation upon the respective redemption date(s).

Section 9. Form of Bonds; CUSIP® Numbers. The Series C Bonds shall be substantially in conformity with the standard form of registered school district bonds, copies of which are attached hereto as Exhibit “B” (as to the Current Interest Bonds), Exhibit “C” (as to the Capital Appreciation Bonds) and Exhibit “D” (as to the Convertible Capital Appreciation Bonds) and incorporated herein by this reference as if set forth in full, with necessary or appropriate variations, omissions and insertions as may be permitted or required by this Resolution and to conform with the requirements of the Purchase Agreement. One bond certificate shall be issued for each maturity of the Current Interest Bonds of the same interest rate and one bond certificate shall be issued for each maturity of the Capital Appreciation Bonds.

“CUSIP®” identification numbers shall be imprinted on the Series C Bonds, but such numbers shall not constitute a part of the contract evidenced by the Series C Bonds and any error or omission with respect thereto shall not constitute cause for refusal of the Purchaser to accept delivery of and pay for the Series C Bonds. In addition, failure on the part of the County or the District to use such CUSIP® numbers in any notice to Owners of the Series C Bonds shall not constitute an event of default or any violation of the District’s contract with such Owners and shall not impair the effectiveness of any such notice.

Section 10. Execution of Bonds; Authentication. The Series C Bonds shall be executed by the manual or facsimile signature of the Mayor and the Treasurer, or any designated deputy of the Treasurer, and countersigned by the manual or facsimile signature of the Clerk of the County Board or any designated deputy. The facsimile signatures of the Mayor, the Treasurer and the Clerk of the County Board may be printed, lithographed, engraved, typewritten or otherwise mechanically reproduced. The County Board hereby directs that the provisions of Education Code Sections 15181 and 15182 shall apply to such execution of the Series C Bonds.

In case any of such officers who shall have signed or attested any of the Series C Bonds shall cease to be such officers before the Series C Bonds so signed or attested shall have been authenticated or delivered by the Paying Agent, or issued by the County, such Series C Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issue, shall be as binding upon the County as though those who signed and attested the same had continued to be such officers, and also any Series C Bonds may be signed and attested on behalf of the County by such persons as at the actual date of execution of such Series C Bonds shall be the proper officers of the County although at the nominal date of such Series C Bonds any such person shall not have been such officer of the County.

No Series C Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Series C Bond is signed by the Paying Agent as authenticating agent for the Series C Bonds. Authentication by the Paying Agent shall be conclusive evidence that the Series C Bond

so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

Section 11. Delivery of Series C Bonds. The proper officials of the District and the County shall cause the Series C Bonds to be prepared and, following their sale, shall have the Series C Bonds executed and delivered (as set forth herein), to the original purchaser (Underwriter) upon payment of the purchase price in immediately available funds as set forth in the Purchase Agreement.

Section 12. Bond Registration; Transfers. As hereinafter provided, the Bonds shall be delivered in a form and with such terms as will permit them to be in book-entry only form, deposited through the facilities of DTC. If the book-entry only system is no longer in effect, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of certificated Bonds as provided in this Section ("Bond Register") and which Bond Register shall, upon reasonable notice, be open to inspection by the District. While the book-entry only system is in effect, such books need not be kept, as the Bonds will be represented by one Bond for each maturity registered in the name of Cede & Co., as nominee for DTC.

Subject to the provisions of Section 13 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal and premium, if any, of and interest on any Bond shall be made only to or upon the order of the Owner thereof; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of the same series of any other authorized denomination upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent in its capacity as bond registrar. Any Bond may, in accordance with its terms (but only if the District determines no longer to maintain the book-entry only status of the Bonds, DTC determines to discontinue providing such services and no successor securities depository is named or DTC requests the District to deliver certificated securities to particular DTC Participants, as deemed below), be transferred, upon the books required to be kept pursuant to the provisions of this Section, by the Owner, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure

is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be canceled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly canceled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Paying Agent and updated annually. The canceled Bonds shall be destroyed by the Paying Agent in accordance with its procedures as confirmed in writing to the District.

None of the District, the County or the Paying Agent will be required to: (a) issue or transfer any Bonds during a period beginning with the opening of business on the 16th day of the month next preceding either any Interest Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given, or (b) transfer any Bonds which have been selected or called for redemption in whole or in part.

Section 13. Book-Entry System. Except as provided below, the owner of all of the Bonds shall be The Depository Trust Company, New York, New York ("DTC" or "Depository"), and the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Bonds shall be initially executed and delivered in the form of a single, fully-registered Bond for each maturity (which may be typewritten). Upon initial execution and delivery, as provided for herein, the ownership of such Bond shall be registered in the Bond Register in the name of the Nominee identified below as nominee of The Depository Trust Company, New York, New York, and its successors and assigns. Except as hereinafter provided, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section ("Nominee"). With respect to the Bonds registered in the Bond Register in the name of the Nominee, neither the District nor the Paying Agent shall have any responsibility or obligation to any broker-dealers, banks and other financial institutions from time to time for which the Depository holds Bonds as securities depository ("Participant") or to any person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, neither the District nor the Paying Agent shall have any responsibility or obligation (unless the District is at such time the Depository) with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other person, other than an Owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in the Bonds to be redeemed in the event the District redeems the Bonds in part, or (iv) the payment to any Participant or any other person, other than an Owner of a Bond as shown in the Bond Register, of any amount with respect to the principal and premium, if any, of or interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of principal and premium, if any, of and interest with respect to such

Bond, for the purpose of giving notices of redemption, if applicable, and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal and premium, if any, of and interest on the Bonds only to or upon the order of the respective Owner of the Bond, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal and premium, if any, of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner of a Bond, as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and premium, if any, of and interest. Upon delivery by the Depository to the Owners of the Bonds and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Resolution shall refer to such nominee of the Depository.

In order to qualify the Bonds for the Depository's book-entry system, the District is executing and delivering to the Depository a Representation Letter. The execution and delivery of the Representation Letter shall not in any other way limit the provisions of this Section or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Bonds other than the owners of the Bonds, as shown on the Bond Register. In addition to the execution and delivery of the Representation Letter, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Bonds for the Depository's book-entry program.

In the event: (i) the Depository determines not to continue to act as securities depository for the Bonds; or (ii) the Depository shall no longer so act and gives notice to the District of such determination, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered Bond, per maturity, registered in the name of such successor or substitute qualified securities depository or its nominee. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the Nominee, but shall be registered in whatever name or names Owners of the Bonds transferring or exchanging Bonds shall designate, in accordance with provisions of this Resolution, and the District shall prepare and deliver Bonds to the Owners thereof for such purpose.

In the event of a reduction in aggregate principal amount of Bonds Outstanding or an advance refunding of part of the Bonds Outstanding, Depository in its discretion, (a) may request the District to prepare and issue a new Bond or (b) may make an appropriate notation on the Bond indicating the date and amounts of such reduction in principal, but in such event the District records maintained by the Paying Agent shall be conclusive as to what amounts are Outstanding on the Bond, except in the case of final maturity in which case the Bond must be presented to the Paying Agent prior to payment.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, and

interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository and acceptable to the District. The initial depository under this Section shall be the Depository. The initial nominee shall be Cede & Co., as Nominee of the Depository.

The County, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series C Bonds and neither the County, the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including the Depository or its Nominee for any failure of the Depository or its Nominee to provide notices, distribute payments on the Series C Bonds nor take other actions concerning the beneficial owners of the Series C Bonds which are the responsibility of the Depository or its Nominee. As to the District, the foregoing is subject to the express provisions of the Representation Letter.

Section 14. Paying Agent.

(a) The County Board does hereby appoint the Treasurer as Paying Agent for the Series C Bonds. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The District shall function as, or appoint, the dissemination agent for the Series C Bonds and shall perform, or cause to be performed, all duties and obligations as set forth in the Continuing Disclosure Certificate, as described in Section 22 hereof.

(b) The Paying Agent may, at any time, resign as Paying Agent upon 60 days' prior written notice to the Treasurer and the District, and the Paying Agent may be removed at any time upon 30 days' written notice by the District. If at any time the Paying Agent shall resign or be removed, the District shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a principal corporate trust office in Los Angeles County, California, with at least \$50,000,000 in assets and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. Such Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective only upon appointment and acceptance of a successor Paying Agent. The Paying Agent shall keep accurate records of all funds administered by it and of all Series C Bonds paid and discharged by it. Such records shall be provided, upon reasonable request and reasonable notice to the Paying Agent, in a format mutually agreeable to the District, the Paying Agent and the County.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor. In the event of a replacement of the Paying Agent, the Paying Agent shall serve in such capacity until the successor Paying Agent has accepted such position and appointment. The County shall promptly cause to be mailed, at the District's expense, the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Information Services and to DTC.

(d) Any company or association into which a successor Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company or association to which the Paying Agent may sell or transfer all or substantially all of its corporate trust business, provided that such company or association shall be eligible under Section 14(b), shall be the successor to the Paying Agent and all of the powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding. All costs associated with the Paying Agent's merger or consolidation with another bank or trust company shall be paid by the successor Paying Agent. No expense resulting from such merger or consolidation shall be billed to the District.

(e) The Paying Agent may, to the extent permitted by applicable law, become the Owner of any of the Outstanding Series C Bonds.

(f) The District shall be responsible to pay all fees, costs and expenses of the Paying Agent, subject to the provisions of Section 16 hereof.

(g) All documents received by the Paying Agent under the provisions of this Resolution shall be retained in its possession at the Office of the Paying Agent and shall be subject during business hours and upon reasonable notice to the inspection of the District or the Owners and their agents and representatives duly authorized in writing.

Section 15. Payment of Principal and Interest. The Principal, premium, if any, and Accreted Value of, and interest on, the Series C Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Paying Agent. Interest on Current Interest Bonds and Convertible Capital Appreciation Bonds after the Conversion Date shall be paid on each Bond Payment Date by check mailed by first-class mail to the person in whose name the Bond is registered, and to that person's address appearing on the Bond Register (as described in Section 12) on the Record Date. The Owner of an aggregate Principal Amount of Current Interest Bonds or Maturity Value of Convertible Capital Appreciation Bonds of \$1,000,000 or more may request, in writing, prior to the close of business on the fifteenth (15th) day of the month preceding each Interest Payment Date, to the Paying Agent that such Owner be paid interest by wire transfer to the bank within the continental United States and account number on file with the Paying Agent as of the Record Date.

Payments of Principal and redemption premiums, if any, with respect to the Current Interest Bonds, and the payments of Accreted Value and redemption premiums, if any, with respect to the Capital Appreciation Bonds or Convertible Capital Appreciation Bonds, shall be payable at maturity or redemption upon surrender at the office of the Paying Agent, or such other location as the Paying Agent shall designate to the County and the District in writing. In the event the Paying Agent shall provide written notice of a change in the location for payment of Principal, redemption premiums and Accreted Value on the Bonds, the Paying Agent shall thereafter provide notice of such change to the Information Services and Securities Depositories of such change. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity and to cancel all Bonds upon payment thereof.

In the event any payment is required to be made hereunder on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day with the same effect as if made on such non-Business Day.

The Series C Bonds are the general obligations of the District secured by *ad valorem* taxes levied and collected pursuant to the Authorization, the California Constitution and State law and do not constitute an obligation of the County except to provide for the levy and collection of the *ad valorem* taxes and payment of funds to the Paying Agent as set forth in Section 16 hereof. No part of any fund of the County is pledged or obligated to the payment of the Series C Bonds.

Section 16. Source of Payment; Security for the Series C Bonds. The County acknowledges receipt of the District Resolution, as adopted, and the requests made therein by the District to levy, collect and distribute *ad valorem* tax revenues pursuant to Education Code Sections 15250, *et seq.* to pay for Principal and Conversion Value and Accreted Value of, and interest on, the outstanding Series C Bonds when and if sold. Correspondingly, and subject to the issuance and sale of the Series C Bonds, and transmittal of information concerning the debt service requirements thereof to the appropriate County officers, there shall be levied by the County on all of the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Series C Bonds are outstanding (commencing with the debt service requirements set forth in the Purchase Agreement) in an amount sufficient to pay the Principal and Conversion Value and Accreted Value of, and interest on, the Series C Bonds when due, which tax revenues, when collected, will be placed in the Debt Service Fund, which Debt Service Fund has been irrevocably pledged for the payment of the Principal and Conversion Value and Accreted Value of, and interest on, the Series C Bonds when and as the same become due. The monies held in the Debt Service Fund, to the extent necessary to pay the Principal and Conversion and Accreted Value of, and interest on, the Series C Bonds as the same become due and payable, shall be transferred by the County to the Paying Agent as necessary to pay the principal of and interest on the Series C Bonds as set out in California law, the District Resolution, the Purchase Agreement and herein.

The monies in the Debt Service Fund, to the extent necessary to pay the Principal and Conversion Value and Accreted Value of, interest on, and redemption premium, if any, on the Series C Bonds as the same become due and payable, shall be transferred by the Treasurer, or his or her designee or deputy, to the Paying Agent (sufficiently in advance of each Interest Payment Date to allow for timely payment by the Paying Agent of Principal and Conversion Value and Accreted Value, interest on, and redemption premium, if any, on the Series C Bonds) who in turn, shall pay such monies to the Depository to pay the Principal and Conversion Value and Accreted Value of, interest on, and redemption premium, if any, on the Series C Bonds when due. The Depository will thereupon make payments of Principal and Conversion Value and Accreted Value of, interest on, and redemption premium, if any, on the Series C Bonds to the Depository Participants who will thereupon make payments of Principal and Conversion Value and Accreted Value, interest on, and redemption premium, if any, to the beneficial owners of the Series C Bonds. The County, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series C Bonds, except as expressly provided for herein, and neither the County, the District nor the Paying Agent shall have any responsibility or obligation, legal or

otherwise, to the beneficial owners of the Series C Bonds or to any other party, including the Depositor or its successor, beyond those responsibilities expressly set forth herein. Any monies remaining in the Debt Service Fund after the Series C Bonds, the interest thereon and redemption premium, if any, have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District pursuant to the Education Code Section 15235, or any successor section thereto.

Section 17. Defeasance. The Series C Bonds may be defeased prior to maturity in the following ways:

(a) Cash: By irrevocably depositing with a bank or trust company, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Series C Bonds Outstanding, including all Principal and interest and premium, if any; or

(b) Defeasance Securities: By irrevocably depositing with a bank or trust company, in escrow, noncallable Defeasance Securities, permitted under Section 149(d) of the Code thereto, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the Debt Service Fund, together with the interest to accrue thereon, be fully sufficient to pay and discharge all Series C Bonds (including all Principal and interest represented thereby and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any Series C Bonds shall not have been surrendered for payment, all obligations of the District or the County with respect to all Outstanding Series C Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of the Series C Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section and Section 18, “Defeasance Securities” shall mean:

“Defeasance Obligations” shall mean direct and general obligations of the United States of America (including State and Local Government Series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidence of direct ownership or proportionate interests in future interest or principal payments of such obligations. In the case of investments in such proportionate interests, such proportionate interests shall be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying Defeasance Obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying Defeasance Obligations; and (c) the underlying Defeasance Obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; *provided* that such obligations are rated or assessed at the highest then-prevailing United States Treasury securities rate.

For purposes of this Section 17 and Section 18, the escrow bank and verification agent shall be selected by the District. Any such escrow bank or trust company shall conform to the successor paying agent requirements of Section 16 hereof. All costs for defeasance of the Series C Bonds shall be paid by the District.

Section 18. Partial Defeasance. A portion of the then-Outstanding maturities of the Series C Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with a bank or trust company, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, together with the interest to accrue thereon, shall be fully sufficient to pay and discharge all Series C Bonds (including all Principal and interest represented thereby and redemption premiums, if any) at or before their maturity date; or

(b) Defeasance Securities: By irrevocably depositing with a bank or trust company, in escrow, noncallable Defeasance Securities, permitted under Section 149(d) of the Code thereto together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon, be fully sufficient to pay and discharge the designated Outstanding maturities of the Series C Bonds (including all Principal and interest represented thereby and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such designated maturities of Series C Bonds shall not have been surrendered for payment, all obligations of the District or the County with respect to such Outstanding maturities of Series C Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section 18, to the Owners of the Series C Bonds of such maturities designated for redemption not so surrendered and paid all sums due with respect thereto.

Section 19. Establishment of Funds; Disposition of Proceeds of the Bonds; Investment.

(a) The net proceeds from the sale of the Series C Bonds, to the extent of the net Principal Amount thereof, shall be paid to the County to the credit of the fund hereby created and established by the County and to be known as the “William S. Hart Union High School District, Series C Bonds Building Fund” (“Building Fund”) of the School District, which shall be kept separate and distinct from all other School District or County funds, shall be used solely for the purpose for which the Series C Bonds are being issued and as authorized by law and for payment of permissible costs of issuance, and shall be applied to authorized purposes which relate to the acquisition or improvement of real property. The County makes no assurance regarding the use of the proceeds of the Series C Bonds and shall have no obligation to ensure that the proceeds are applied in accordance with the preceding sentence. The interest earned on the monies deposited to the Building Fund shall be credited to and retained in such Fund and such monies shall be used for the purpose for which the Series C Bonds are authorized, at the direction of the School District.

(b) A portion of the proceeds of the sale of the Bonds necessary to pay all, or a portion, of the costs of issuing the Series C Bonds may be deposited in a fund to be established and held with the Paying Agent, or a qualified banking or financial institution, as shall be determined by the District, to be designated as the “William S. Hart Union High School District Series C Bonds Costs of Issuance Fund” (the Costs of Issuance Fund) which shall be kept separate and distinct from all other District and County funds and accounts, and those proceeds shall be used solely for the purpose of paying costs of issuance of the Series C Bonds. Funds held in the Costs of Issuance Fund shall be disbursed at the written direction of the District to pay costs of issuing the Series C Bonds. Upon the payment in full of all costs of issuance for the Series C Bonds, which shall be determined by a Written Request to the holder of such fund to that effect by a Designated Officer, the holder of such fund shall transfer all funds remaining in the Costs of Issuance Fund, if any, to the Debt Service Fund or the Building fund, as the District shall direct. Upon the occurrence of such transfer, the holder of the Costs of Issuance Fund shall confirm such transfer to the District and the County Treasurer and then close that fund.

(c) The accrued interest, if any, and any premium received by the County or the District from the sale of the Series C Bonds, as well as tax revenues collected by the County pursuant to Section 16 hereof and Sections 15250 *et seq.* of the Education Code, shall be deposited and kept separate and apart in the fund established and held by the Treasurer and designated as the “William S. Hart Union High School District General Obligation Bonds, 2008 Election, Series C Bonds Debt Service Fund” (“Debt Service Fund”) for the Series C Bonds and used for payments of Principal, Maturity Value, Conversion Value and Accreted Value of, interest on, and redemption premium, if any, on the Series C Bonds when and as such become due. *Ad valorem* taxes collected by the County pursuant to State law and Section 16 hereof shall be deposited by the County into the Debt Service Fund and applied, pursuant to the provisions of State law and this Resolution, only for payments of Principal, Maturity Value, Conversion Value and Accreted Value of, interest on and redemption premium, if any, on the Series C Bonds when due. Funds held in the Debt Service Fund are irrevocably pledged to the payment of Principal, Maturity Value, Conversion Value and Accreted Value of, interest on and redemption premium, if any, on the Series C Bonds when due. Except as required below to satisfy the requirements of Section 148(f) of the Code, as may be applicable, interest earned on investments of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay Principal, Maturity Value, Conversion Value and Accreted Value of, interest on, and redemption premium, if any, on the Series C Bonds when and as such become due. Prior to each such Bond Payment Date (and subject to the applicable provisions of Section 16 hereof), the Treasurer shall transfer to the Paying Agent, for subsequent disbursement to the beneficial Owners of the Series C Bonds, pursuant to the provisions hereof, monies from the Debt Service Fund sufficient to pay Principal, Maturity Value, Conversion Value and Accreted Value of, interest on and premium (if any) on the Series C Bonds due on such Bond Payment Date. The Paying Agent shall hold all such monies transferred to it, pursuant to the foregoing sentence, uninvested. If, after payment in full of all Principal, Maturity Value, Conversion Value and Accreted Value, redemption premium, if any, and interest on the Series C Bonds, there remain funds in the Debt Service Fund, any such excess amounts shall be transferred to the General Fund of the District.

(d) The District shall, at such time as shall be necessary, establish and create the “William S. Hart Union High School District, Series C Bonds Rebate Fund” (“Rebate Fund”), which fund shall be kept separate and distinct from all other District and County funds or

accounts, and into which the District shall deposit, or direct deposit of, funds used to satisfy any requirement to make rebate payments to the United States of America pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder as shall be applicable to the Series C Bonds. The Rebate Fund (if and when established pursuant to the requirements of the Tax Certificate) may, at the discretion of the District, be held by the Paying Agent. Responsibility for determining and calculating rebate payments, if any, due with regard to the Series C Bonds is the sole responsibility of the District as further set forth in Section 23 and in the District Resolution. Monies in the Rebate Fund shall be invested, at the District's direction, in compliance with the limitations of the Code.

(e) Any proceeds of the Series C Bonds in the Costs of Issuance Fund, inclusive of interest earnings, not needed for the authorized purposes set forth herein shall be transferred to the Debt Service Fund and applied to the payment of Principal, Accreted Value and interest on the Series C Bonds at the written direction of the District as set forth above.

(f) (i) Proceeds of the Series C Bonds and proceeds of taxes collected for the payment of Principal, Accreted Value and interest on the Series C Bonds (as further described above) and deposited into the Debt Service Fund (for purposes of this subsection only "Bond Funds") shall be invested by the Treasurer as set forth herein.

(ii) The Treasurer is hereby authorized and directed to invest the Bond Funds, at the Treasurer's discretion, in Authorized Investments.

(iii) Notwithstanding the paragraph (ii) above, at the written direction of the District, given by the Superintendent or the Chief Financial Officer of the District, all or any portion of the Bond Funds may be invested on behalf of the District in Authorized Investments, including, but not limited to, investment agreements which comply with the requirements of each rating agency which may then be rating the Series C Bonds necessary in order to maintain the then-current rating on the Series C Bonds or in the Local Agency Investment Fund established by the State Treasurer.

Section 20. Bond Insurance. In the event the District elects to purchase bond insurance for all or a portion of the Series C Bonds, and to the extent that the Bond Insurer makes payment of the Principal or Accreted Value of, or interest on, the Series C Bonds (or specific maturities thereof), it shall become the Owner of such Series C Bonds (or specific maturities thereof) with the right to payment of Principal and Accreted Value of, or interest on, the Series C Bonds (or specific maturities thereof), and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the Bond Register upon receipt of a copy of the canceled check issued by the Series C Bond Insurer for the payment of such interest to the Owners of the Series C Bonds, and (ii) in the case of subrogation as to claims for past due Principal, the Paying Agent shall note the Bond Insurer as subrogee on the Bond Register upon surrender of the Series C Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer. The officers and officials of the County are authorized to take all other and further necessary actions to arrange for the delivery of the bond insurance policy, if such is purchased by, or on behalf of, the District and for the Series C Bonds. In the event that the Bond Insurer requires

additional agreements, covenants or conditions to the issuance of the bond insurance policy, the Designated Officer may deliver or agree to such; provided, however, that applicable law(s) shall be complied with and any such agreement, covenants or conditions shall be consistent with the this Resolution and the District Resolution and be satisfactory to the Designated Officer.

Section 21. Official Statement. The District has authorized, and shall be responsible for, preparing a preliminary and final Official Statement for the Series C Bonds meeting the requirements of Securities and Exchange Commission (“SEC”) Rule 15c2-12. Such preliminary Official Statement and final Official Statement are collectively referred to herein as the “Official Statement.” The distribution of the Preliminary Official Statement prior to, or following, the date of this Resolution is not objectionable to the County. Neither the County Board nor any officer of the County has prepared or reviewed the Official Statement of the District describing the Series C Bonds, and this County Board and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section(s) contained, or to be contained, therein describing the County's current portfolio holdings as they may relate to funds of the District held by the County Treasurer. The County Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the District's Official Statement and the Preliminary Official Statement, and to certify in writing prior to or upon the issuance of the Series C Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

Section 22. Continuing Disclosure. “Continuing Disclosure Certificate” shall mean that certain Continuing Disclosure Certificate entered into by the District, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

The District has covenanted and agreed that it will comply with and carry out all of the terms and conditions of the Continuing Disclosure Certificate, which shall be entered into by the District and delivered at the time of delivery of the Series C Bonds. Notwithstanding any other provisions of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Series C Bonds; however, any underwriter or any holder or beneficial Owner of the Series C Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 23. Tax and Arbitrage Matters.

(a) The District, has represented that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series C Bonds under Section 103 of the Code.

(b) The District has covenanted to restrict the use of the proceeds of the Series C Bonds in such manner and to such extent, if any, as may be necessary, so that the Series C Bonds will not constitute “arbitrage bonds” under Section 148 of the Code and the applicable regulations prescribed under that section or any successor section. Calculations for determining

arbitrage requirements, and payment of any required monies, are the sole responsibility of the District.

(c) The District in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series C Bonds, has covenanted to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code, as set forth in the Tax Certificate to be provided to the District by Bond Counsel, on the date of initial delivery of the Series C Bonds, and executed by the District, and incorporated herein by this reference as a source of guidance for compliance with such provisions.

(d) The District has covenanted to at all times do and perform all other acts and things necessary or desirable and within its powers to assure, for the purposes of California personal and federal income taxation, that the tax-exempt status of the interest paid on the Series C Bonds to the recipients thereof will be preserved.

(e) Notwithstanding any other provision of this Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the above covenants, no person other than the Owners of the Series C Bonds shall be entitled to exercise any right or remedy provided to such Owners under this Resolution on the basis of the District's failure to observe, or refusal to comply with, the above covenants.

Section 24. County Books and Accounts. The Paying Agent and the County will keep, or cause to be kept, proper books of record and accounts to record (i) the amount of taxes collected pursuant to Section 16 hereof, (ii) all deposits, expenditure and investment earnings on the Debt Service Fund and any and all accounts or subaccounts thereof, and (iii) all transfers of funds for the payment of Principal, interest, Accreted Value or redemption premiums on the Series C Bonds. Such books of record and accounts shall at all times during business hours, upon reasonable notice, be subject to the inspection of the District and the Owners of not less than ten percent (10%) of the Principal amount of the Series C Bonds then Outstanding, or their representatives authorized in writing.

Section 25. Execution of Documents by Bond Owners. Any request, consent or other instrument required by this Resolution to be signed and executed by Bond Owners may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Bond Owners in person or by their agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Resolution and shall be conclusive in favor of the County, and the District, if made in the manner provided in this Section 25.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgements of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

The ownership of the Series C Bonds shall be proved by the Bond Register. Any request, consent or vote of the Owner of any Series C Bond shall bind every future Owner of the same

Series C Bond and the Owner of any Series C Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the County or the District, in pursuance of such request, consent or vote.

Section 26. Unclaimed Monies. Notwithstanding any of the foregoing provisions of this Resolution and subject to the escheat laws of the State, any monies held by the Paying Agent for the payment of the principal and Accreted Value of, redemption premium, if any, or interest on Series C Bonds remaining unclaimed for one year after the corresponding maturity or redemption date for such Series C Bonds shall be returned by the Paying Agent to the Treasurer, with any and all interest accrued thereon, for deposit into the Debt Service Fund. Notwithstanding any other provisions of this Resolution and subject to the escheat laws of the State, any monies held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the Principal or Accreted Value of, redemption premium, if any, or interest on Series C Bonds and remaining unclaimed for one year after the Principal of all of the Series C Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Series C Bonds, transferred to the General Fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, or the District, before making such payment, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bond Register, postage prepaid, not less than 90 days prior to the date of such payment.

Section 27. Conditions Precedent. This County Board determines that all acts and conditions necessary to be performed by the County precedent to and in the issuing of the Series C Bonds, in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that this County Board has the power and is obligated to levy *ad valorem* taxes for the payment of the Bonds and the interest thereon without limitation as to rate or amount upon all property within the District subject to taxation (except for certain classes of personal property).

Section 28. Amendments. The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

(a) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond Owners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and/or

(c) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond Owners.

In the event of any such amendment, the County shall promptly provide the District and the Paying Agent with copies of such amendment and the action of the County Board approving such amendment. Notice of any such amendment shall also be provided to the Owners by the District in the next occurring Annual Report provided by the District under the terms of the Continuing Disclosure Certificate.

No such amendment shall: (i) extend the fixed maturity of any Series C Bond, reduce the amount of Principal or Accreted Value thereof or the rate of interest thereon or extend the time of payment thereof, without the consent of the Owner of each Series C Bond so affected, or (ii) modify or amend this Section without the consent of the Owners of all the Series C Bonds then outstanding.

Upon the adoption of any amendment pursuant to this Section, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the County, the District, the Paying Agent and all Owners shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such amendment shall be deemed to be part of the terms and conditions of this Resolution for any and all purposes.

The provisions of this Section shall not prevent any Owner from accepting any modification or amendment as to the particular Series C Bonds held by such Owner.

Section 29. Benefits Limited to Parties. Nothing in this Resolution, express or implied, is intended to give to any person other than the County, the District, the Paying Agent and the Owners of the Series C Bonds, any right, remedy or claim under or by reason of this Resolution. Any covenants, stipulations, promises or agreements in this Resolution contained by and on behalf of the District or the County, are for the sole and exclusive benefit of the County, the District, the Paying Agent and the Owners.

Section 30. Acceptance of Payment of County Costs. This County Board hereby accepts the District's offer of payment of the County's costs for the authorization, issuance and sale of the Series C Bonds and authorizes County officers to provide an invoice to the District for all such costs incurred.

Section 31. Approval of Actions. Officers of the County Board and County officials and staff, including the Treasurer and the County Auditor and Controller, or their designee(s), are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance and sale of the Series C Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

Section 32. Partial Invalidity; Severability. If any one or more of the covenants or agreements, or portions thereof, provided in this Resolution to be performed should be contrary to law, then such covenant or covenants, such agreement or agreements, or such portions thereof, shall be null and void and shall in no way affect the validity of this Resolution or of the Series C Bonds; but the Bond Owners shall retain all rights and benefits accorded to them under any applicable provisions of law. The County Board hereby declares that it would have adopted this Resolution and each and every other section, paragraph, subdivision, sentence, clause and phrase hereof and would have authorized the issuance of the Series C Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this Resolution or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th day of the month next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given, or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The rights and obligations of the District and of the Registered Owners of the Bonds may be amended at any time, and in certain cases without the consent of the Registered Owners to the extent and upon the terms and conditions provided in the County Resolution.

NOW, THEREFORE, THE GOVERNING BOARD OF THE WILLIAM S. HART UNION HIGH SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference.

Section 2. Supplement to Resolution No. 12/13-21. As set forth above, the provisions of Resolution No. 12/13-21 are incorporated herein by this reference. Resolution No. 12/13-21 shall be supplemented and amended to the extent set forth in this Resolution. All references to the not to exceed par amount for the Series C Bonds set forth in Resolution No. 12/13-21, the exhibits thereto, or related documents are hereby amended to a not to exceed amount of \$172,000,000.

Section 3. Preliminary Official Statement; Official Statement. Pursuant to the provisions of the Education Code, including, but not limited to, Education Code Section 15149, and federal disclosure requirements, a Preliminary Official Statement relating to the Series C Bonds has been prepared, and the use and distribution of the Preliminary Official Statement and a final Official Statement in connection with the sale of the Series C Bonds is hereby authorized.

The Underwriter (as defined in Resolution 12/13-21) is hereby authorized to distribute the Preliminary Official Statement to prospective purchasers of the Series C Bonds. The Designated Officer (as defined in Resolution No. 12/13-21) is authorized to approve, execute, and deliver, as applicable, copies of the Preliminary official Statement and the final Official Statement, with such changes therein as such officer shall approve, in his or her discretion as being in the best interests of the District. Upon approval of such changes by such officer, the Preliminary Official Statement shall be deemed final as of its date, except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. The District Board hereby authorized and directs the Designated Officer to deliver to the Underwriter a certificate to the effect that the District deems the Preliminary Official Statement, in the form approved by the Designated Officer, to be final as of its date, within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (except for the omission of certain final pricing, rating and related information as permitted under such Rule).

Section 4. Amendment to Section 7 of Resolution No. 12/13-21. Section 7 of Resolution No. 12/13-21 is amended to read as follows:

"Section 7. Form of Purchase Agreement; Sale of Bonds; Delegation of Authority.

(a) The form of the Purchase Agreement is hereby approved. The Superintendent, Chief Financial Officer, Chief Operations Officer and such other officers of the District as may be authorized by the District Board or Superintendent (each a "Designated Officer") are, and each of them acting alone hereby is, authorized to execute and deliver, with the County Treasurer and Tax Collector ("Treasurer"), or an authorized deputy of the Treasurer, to the Underwriter the Purchase Agreement on behalf of the District, with such changes therein as the Designated Officer executing the same on behalf of the District may approve, in their discretion, as being in the best interests of the District and subject to the terms and conditions set forth in the County Resolution. Such approval is to be conclusively evidenced by such Designated Officer's execution thereof. The Designated Officer, in consultation with the Financial Advisor, the Underwriter, Bond Counsel and the Treasurer, is authorized and directed to establish or modify the terms of redemption of the Series C Bonds and the final principal amount of the Series C Bonds, provided, however, that such principal amount shall not exceed \$172,000,000. The Designated Officer is also authorized and directed to negotiate, in cooperation with the County Treasurer, with the Underwriter the interest rates on the Series C Bonds, not-to-exceed a true interest cost of six percent (6.00%), and the Underwriter's discount shall not exceed one half of one percent (0.50%) of the principal amount of the Series C Bonds (exclusive of any premium paid on the Series C Bonds, costs of issuance of the Series C Bonds which may be paid by the Underwriter, and/or original issue discount, if any, which original issue discount shall not exceed 5.00%). True interest cost for purposes of this Section means that nominal interest rate that, when compounded semiannually and used to discount the debt service payments on the Series C Bonds to the dated date(s) of the Series C Bonds, results in an

amount equal to the purchase price of the Series C Bonds, excluding interest accrued to the date of delivery. For purposes of this calculation, the premium paid for the policy of municipal bond insurance, if any, shall be treated as interest paid on the Series C Bonds on the date of delivery.

(b) The Designated Officer, in consultation with the Financial Advisor, the Underwriter, and the Treasurer is authorized to determine or accept the principal amount of each maturity of the Series C Bonds (including any Capital Appreciation Bonds and Convertible Capital Appreciation Bonds), the redemption provisions for the Series C Bonds, as applicable, the funding of any capitalized interest for the Series C Bonds (as determined to be necessary or appropriate) and the final purchase price for the Series C Bonds (subject to the limitations set forth herein) which shall be set forth in the Purchase Agreement. The term of the Series C Bonds shall be for not more than the maximum term allowed by law.

(c) The Designated Officer is also authorized, in consultation with the Treasurer, the Underwriter and Bond Counsel, to elect to purchase a policy of municipal bond insurance for the Series C Bonds to the extent such action is determined to be in the best interests of the District.

(d) The Series C Bonds may be issued and sold in full or in part as Current Interest Bonds, Capital Appreciation Bonds, and/or Convertible Capital Appreciation Bonds (each as further described in the County Resolution)."

Section 5. Amendment to Section 18 of Resolution 12/13-21. Section 18 of Resolution No. 12/13-21 is amended to read as follows:

"Section 18. Additional Findings and Directives. Pursuant to Education Code Section 15146(b) and (c), the District Board hereby finds, determines and directs as follows:

(a) The Series C Bonds shall be sold by negotiated sale to as set forth in Sections 5, 6 and 7 of this Resolution, the provisions of the County Resolution and elsewhere herein.

(b) The Series C Bonds shall be sold by negotiated sale inasmuch as:

- (i) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District;
- (ii) such a sale will allow the District to utilize the services of consultants at a lower cost than selecting, retaining and utilizing the services of consultants who are not familiar with the District, its financing needs and related matters;
- (iii) such a sale will allow the District to control the timing of the sale of the Series C Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Series C Bonds to such market; and
- (iv) such a sale will provide more flexibility in the timing of the sale, including an ability to implement the sale in a shorter time period, an increased ability to

structure the Series C Bonds to fit the needs of particular purchasers and a greater opportunity for the Underwriter to pre-market the Series C Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds.

(c) The District is represented by Stifel, Nicolaus & Company, Incorporated, dba Stone & Youngberg, a Division of Stifel Nicolaus, as its Underwriter, Bowie, Arneson, Wiles & Giannone, as Bond Counsel, Orrick Herrington & Sutcliffe LLP, as Disclosure Counsel, Dolinka Group, LLC, as Financial Advisor and California Financial Services, as Program Funding Manager.

(d) The District Board estimates that the costs associated with the issuance of the Series C Bonds, including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Agreement, are set forth in Exhibit "C", attached hereto and incorporated herein by this reference. Such costs of issuance of the Series C Bonds include, but are not limited to, costs of bond insurance, Bond Counsel, District Counsel and Disclosure Counsel fees and expenses, Financial Advisor fees and expenses, Program Funding Manager fees and expenses, Paying Agent costs for one or more years of service, rating agency fees, County costs, printing costs and related informational and data costs. Such figure is an estimate and shall not constrain or limit the District as to the issuance and sale of the Series C Bonds pursuant to the directives and conditions set forth herein.

(e) The District Board hereby directs that following the sale of the Series C Bonds, the District Board shall be presented with the actual costs of sale, issuance and delivery costs of the Series C Bonds at the next occurring meeting of the District Board for which such information can be determined and presented in accordance with State law.

(f) The District Board hereby directs that following the sale and delivery of the Series C Bonds that an itemized summary of the costs of the sale, issuance and delivery costs of the Series C Bonds shall be provided to CDIAC. The District Board hereby determines that submission of such information as part of the filing of the Report of Final Sale for the Series C Bonds made to CDIAC pursuant to State law, including Government Code Section 8855, shall constitute compliance with the requirements of Education Code Section 15146(c)(2).

(g) The District Board hereby directs that as part of the authorization for issuance, sale, issuance and delivery of the Series C Bonds that all necessary filings with CDIAC shall be completed by the District staff and/or its consultants on behalf of the District. The District Board directs that confirmation of such filings shall be included in the transcript of agreements, resolutions, proceedings and documents prepared and delivered in connection with the authorization for issuance, sale and delivery of the Series C Bonds."

Section 6. Other Actions. All actions heretofore taken by officers and agents of the District with respect to the sale and issuance of the Series C Bonds are hereby approved, confirmed and ratified. The President and Clerk of the District Board and the Designated Officer(s) are each authorized and directed in the name and on behalf of the District to make and execute any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they, or any of them, might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series C Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf in case such officer shall be absent or unavailable.

Section 7. Effective Date. This Resolution shall take effect immediately upon adoption.

Section 8. Filing of Resolution. The Clerk of the District Board is hereby directed to promptly file a certified copy of this Resolution with the Clerk of the County Board of Supervisors and the Treasurer.

The Designated Officer, in consultation with the Financial Advisor, the Underwriter, and the Treasurer is authorized to determine or accept the principal amount of each maturity of the Series C Bonds (including any Capital Appreciation Bonds and Convertible Capital Appreciation Bonds), the redemption provisions for the Series C Bonds, as applicable, the funding of any capitalized interest for the Series C Bonds (as determined to be necessary or appropriate) and the final purchase price for the Series C Bonds (subject to the limitations set forth herein) which shall be set forth in the Purchase Agreement. The term of the Series C Bonds shall be for not more than the maximum term allowed by law.

(b) The Designated Officer is also authorized, in consultation with the Treasurer, the Underwriter and Bond Counsel, to elect to purchase a policy of municipal bond insurance for the Series C Bonds to the extent such action is determined to be in the best interests of the District.

(c) The Series C Bonds may be issued and sold in full or in part as Current Interest Bonds, Capital Appreciation Bonds, and/or Convertible Capital Appreciation Bonds (each as further described in the County Resolution).

Pursuant to Education Code Sections 15250 *et seq.* (or any successor sections thereto) the District, upon sale and delivery of the Series C Bonds, requests that the County Board take action to levy, or cause to be levied, on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Series C Bonds are outstanding in such years and in an amount sufficient to pay the principal of and interest on the Series C Bonds when due in accordance with the terms of the Series C Bonds, the County Resolution and the Purchase Agreement as executed and delivered.

Section 11. Tax Covenants; Findings and Determinations Policy Directives.

(a) The District, in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series C Bonds, hereby covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code, as set forth in the nonarbitrage (tax) certificate to be provided to the District by Bond Counsel, and executed by the District on the date of initial delivery of the Series C Bonds and incorporated herein by this reference, as a source of guidance for compliance with such provisions.

(b) The District, hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Series C Bonds, or of any of the property financed or refinanced with the proceeds of the Series C Bonds, or other funds of the District, or take or omit to take any action that would cause the Series C Bonds to be deemed “arbitrage bonds” within the meaning of Section 148 of the Code. To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated under that section or any successor section to the extent that such requirements are in effect and applicable to the Series C Bonds.

(c) The District covenants that it shall (i) make all calculations in a reasonable and prudent fashion relating to any rebate or excess investment earnings on the proceeds of the Series C Bonds due to the United States Treasury; and (ii) cause to be segregated and set aside from lawfully available sources held in the County treasury the amount such calculations indicate may be required to be paid to the United States Treasury. Based on such rebate calculations, the District will, to the extent required, cause to be set aside, from monies lawfully available, the amount of such rebate in a separate fund that the District hereby agrees to cause to be established and maintained as set forth in Section 12(c) hereof and in the County Resolution.

(d) The District Board hereby authorizes Bond Counsel and District staff to draft, complete, execute and include in the documents delivered in connection with the issuance and sale of the Series C Bonds, such statements and directives as may be necessary and convenient in order to meet federal tax goals or requirements in connection with maintaining the tax-exempt status of the Series C Bonds.

(e) The District represents that it shall not take any action(s), or fail to take any action(s) if such action(s) or failure to take such action(s) would adversely affect the exclusion from gross income of the interest payable on the Series C Bonds under Section 103 of the Code.

Section 12. Expenditure of Bond Proceeds. The District hereby covenants to expend all Series C Bond proceeds in accordance with applicable law, including, but not limited to, Chapter 2 of Part 10 of Division 1 of Title 1 of the California Education Code of the State of California, as amended, the requirements of Proposition 39 and related State legislation, Article XIII A of the California Constitution, the Bond Authorization and the determinations and directives made herein. The District reserves the right to request that the County, upon issuance and sale of the Series C Bonds, deposit a portion of the proceeds thereof in the Debt Service Fund (established pursuant to the County Resolution), or an account thereof, in order to pay interest on the Series C Bonds for a period not-to-exceed the statutory maximum, as permitted pursuant to Education Code Section 15146(g).

Section 13. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate (as defined below). Notwithstanding any other provisions of this Resolution, failure of the District to comply with the provisions of the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Series C Bonds; however, any underwriter or any holder or beneficial owner of the Series C Bonds may take such actions as may be necessary and appropriate to compel performance therewith, including seeking mandate or specific performance by court order.

For purposes of this Section, “Continuing Disclosure Certificate” shall mean that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Series C Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. The form of the Continuing Disclosure Certificate is attached hereto as Exhibit “B” and incorporated by reference herein. The Designated Officer(s) are hereby authorized to approve, execute and deliver the final form of the Continuing Disclosure Certificate with such changes, insertions and deletions as may be approved by the Designated Officer, Bond Counsel and Disclosure Counsel, which approval shall be conclusively evidenced by execution and delivery thereof.

Section 14. Preparation of Preliminary Official Statement. Pursuant to State law, including, but not limited to, Education Code Section 15149, and federal disclosure requirements, a preliminary Official Statement (“Preliminary Official Statement”) relating to the Series C Bonds is hereby authorized to be prepared. The form of the Preliminary Official Statement shall be presented to the District Board for review and approval prior to the formal marketing of the Series C Bonds.

Section 15. County Books and Accounts. The Treasurer, the County and the Paying Agent are requested to keep, or cause to be kept, proper books of records and accounts to record (i) the amount of taxes collected pursuant to Section 10 hereof and the provisions of the County Resolution, (ii) all deposits, expenditure and investment earnings on the Debt Service Fund and the Costs of Issuance Fund and any and all accounts or subaccounts thereof, and (iii) all transfers of funds for the payment of Principal, Conversion Value and Accreted Value of, or interest or redemption premiums on, the Series C Bonds. The Paying Agent shall provide regular periodic written statements for the Costs of Issuance Fund to the District. Such books of record and accounts shall, upon reasonable notice, during regular business hours be subject to the inspection of the District, the Paying Agent (if other than the Treasurer) and the Owners of not less than ten percent (10%) of the Principal Amount of the Series C Bonds then Outstanding, or their representatives authorized in writing. Defined terms in this Section shall have the meaning(s) assigned thereto in the County Resolution.

Section 16. Compliance with Proposition 39. The District hereby determines that it has complied, or will comply, with the applicable requirements prescribed by Proposition 39, and related applicable State statutory provisions, as follows:

(a) Pursuant to Section 1(b)(3) of Article XIII A of the California Constitution, the proceeds of the sale of the Series C Bonds (exclusive of costs of issuance and delivery of the Series C Bonds) (“Bond Proceeds” or “Series C Bond Proceeds”) shall be used for the purposes specified in the list of specific school facilities projects set forth in Resolution No. 0809-01 and

approved by the voters in the Bond Election (“School Facilities Project List”) and not for any other purpose, including teacher and administrator salaries and any other school operating expenses.

(b) Pursuant to Section 1(b)(3) of Article XIII A of the California Constitution, the School Facilities Project List was made available to the public for review prior to and during the Bond Election, which included the District Board's evaluation of safety, class size reduction and information technology needs in developing the School Facilities Project List as set forth in Resolution No. 0809-01.

(c) Pursuant to Section 1(b)(3) of Article XIII A of the California Constitution, the District Board shall conduct, or cause to be conducted, annual, independent performance audits to ensure that the Series C Bond Proceeds have been expended only on the school facilities projects and capital expenditures identified in the School Facilities Project List.

(d) Pursuant to Section 1(b)(3) of Article XIII A of the California Constitution, the District Board shall conduct, or cause to be conducted, annual, independent financial audits of the Bond Proceeds until all of the Bond Proceeds have been expended for the school facilities projects and capital expenditures identified in the School Facilities Project List.

(e) Measure SA and matters submitted to the voters as part of the Bond Election included statements in compliance with Education Code Section 15272.

(f) The Measure SA election results were certified by the District Board pursuant to Resolution No. 0809-29, and such resolution was filed as required under Education Code Sections 15124 and 15274.

(g) Pursuant to Education Code Sections 15278 *et seq.*, the District Board has established its Citizens' Oversight Committee (“Committee”) for Measure SA and appointed members thereto pursuant to the Committee Policy and Regulations previously adopted by the District Board.

(h) Pursuant to Education Code Section 15268, based on estimates that assessed valuation will increase in accordance with Article XIII A of the California Constitution, the tax rate to be levied to meet the requirements of Section 18 of Article XVI of the California Constitution with regard to the outstanding Series A Bonds, Series B Bonds and the Series C Bonds will not exceed Thirty Dollars (\$30) per year per One Hundred Thousand Dollars (\$100,000) of taxable property within the boundaries of the District. The District shall provide, or cause to be provided, a certificate specifying the estimated tax rate, and confirming compliance with this statutory requirement, at the time the Series C Bonds are delivered.

Section 17. Compliance with Certain Provisions of State Law; Annual Reporting.
That pursuant to Government Code Section 53410, the District Board hereby finds, determines and directs as follows:

(a) The Series C Bond Proceeds shall be used only for the purposes set forth in the School Facilities Project List, the construction proceeds of which have been, or will be, used only for the purposes set forth in the School Facilities Project List.

(b) One or more funds or accounts (which may include subaccounts) as further described herein and in the County Resolution shall be created into which the Series C Bond Proceeds shall be deposited.

(c) The District's Chief Financial Officer shall have the responsibility no less often than annually, to provide to the District Board a written report which shall contain at least the following information:

(i) The amount of the Series C Bond Proceeds received and expended during the applicable reporting period; and

(ii) The status of the acquisition, construction or financing of the school facility projects, as identified in the School Facilities Project List, with the Series C Bond Proceeds.

The report(s) required by this Section 17(c) may be combined with other periodic reports which include the same information, including, but not limited to, periodic reports made to the California Debt and Investment Advisory Commission (CDIAC) or continuing disclosure reports or other reports made in connection with the Series C Bonds. The requirements of this Section 17(c) shall apply only until all the Series C Bonds are redeemed or defeased, but if the Series C Bonds, or any portion thereof, are refunded, such provisions shall apply until all such refunding bonds are redeemed or defeased.

Section 18. Additional Findings and Directives. Pursuant to Education Code Section 15146(b) and (c), the District Board hereby finds, determines and directs as follows:

(a) The Series C Bonds shall be sold by negotiated sale to as set forth in Sections 5, 6 and 7 of this Resolution, the provisions of the County Resolution and elsewhere herein.

(b) The Series C Bonds shall be sold by negotiated sale inasmuch as: (i) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; (ii) such a sale will allow the District to utilize the services of consultants at a lower cost than selecting, retaining and utilizing the services of consultants who are not familiar with the District, its financing needs and related matters; (iii) such a sale will allow the District to control the timing of the sale of the Series C Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Series C Bonds to such market; and (iv) such a sale will provide more flexibility in the timing of the sale, including an ability to implement the sale in a shorter time period, an increased ability to structure the Series C Bonds to fit the needs of particular purchasers and a greater opportunity for the Underwriter to pre-market the Series C Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds.

(c) The District is represented by Stifel, Nicolaus & Company, Incorporated, dba Stone & Youngberg, a Division of Stifel Nicolaus, as its Underwriter, Bowie, Arneson, Wiles & Giannone, as Bond Counsel, Orrick Herrington & Sutcliffe LLP, as Disclosure Counsel, Dolinka

Group, LLC, as Financial Advisor and California Financial Services, as Program Funding Manager.

(d) The District Board estimates that the costs associated with the issuance of the Series C Bonds, including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Agreement, are set forth in Exhibit “C”, attached hereto and incorporated herein by this reference. Such costs of issuance of the Series C Bonds include, but are not limited to, costs of bond insurance, Bond Counsel, District Counsel and Disclosure Counsel fees and expenses, Financial Advisor fees and expenses, Paying Agent costs for one or more years of service, rating agency fees, County costs, printing costs and related informational and data costs. Such figure is an estimate and shall not constrain or limit the District as to the issuance and sale of the Series C Bonds pursuant to the directives and conditions set forth herein.

(e) The District Board hereby directs that following the sale of the Series C Bonds, the District Board shall be presented with the actual costs of sale, issuance and delivery costs of the Series C Bonds at the next occurring meeting of the District Board for which such information can be determined and presented in accordance with State law.

(f) The District Board hereby directs that following the sale and delivery of the Series C Bonds that an itemized summary of the costs of the sale, issuance and delivery costs of the Series C Bonds shall be provided to CDIAC. The District Board hereby determines that submission of such information as part of the filing of the Report of Final Sale for the Series C Bonds made to CDIAC pursuant to State law, including Government Code Section 8855, shall constitute compliance with the requirements of Education Code Section 15146(c)(2).

(g) The District Board hereby directs that as part of the authorization for issuance, sale, issuance and delivery of the Series C Bonds that all necessary filings with CDIAC shall be completed by the District staff and/or its consultants on behalf of the District. The District Board directs that confirmation of such filings shall be included in the transcript of agreements, resolutions, proceedings and documents prepared and delivered in connection with the authorization for issuance, sale and delivery of the Series C Bonds.

Section 19. District Consultant Costs, County Costs and Other Costs.

(a) The District has retained the services of Bowie, Arneson, Wiles & Giannone, to represent the District as Bond Counsel, Stifel, Nicolaus & Company, Incorporated, dba Stone & Youngberg, a Division of Stifel Nicolaus, as Underwriter, Orrick Herrington & Sutcliffe LLP, to represent the District as Disclosure Counsel, Dolinka Group, LLC, as Financial Advisor and initial dissemination agent, and California Financial Services, as Program Funding Manager with regard to the issuance of the Series C Bonds. The County Treasurer’s Office will serve as the District’s initial Paying Agent. The Superintendent or a Designated Officer is hereby authorized to retain such other and further consultants and services, including, but not limited to, printing services, legal services, assessment information and pricing consultant services as are necessary or desirable to facilitate the issuance and delivery of the Series C Bonds.

(b) This District Board authorizes the payment to the County of out-of-pocket expenses and other costs incurred by the County in connection with the County's support of, and participation in, the issuance of the Series C Bonds.

(c) As may be provided in the Purchase Agreement, the Underwriter may be required to pay a portion of the costs of issuance from allocated funds as a condition to the purchase of the Series C Bonds. The District Board hereby authorizes a Designated Officer(s) to enter into a Costs of Issuance Custodian Agreement, or equivalent agreement, with a qualified banking or financial institution. As may be provided in such agreement, amounts provided by the Underwriter for payment of costs of issuance shall be deposited thereunder and the payment of costs of issuance may be requisitioned by a Designated Officer(s) in accordance with such agreement.

Section 20. Approval of Actions. All actions heretofore taken by officers and agents of the District with respect to the sale and issuance of the Series C Bonds are hereby approved, confirmed and ratified. The President and Clerk of the District Board and the Superintendent and the Designated Officer(s) are each authorized and directed in the name and on behalf of the District to make and execute any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they, or any of them, might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series C Bonds. Section 21. Other Actions. The President, Clerk and Secretary of the District Board, and the Designated Officers of the District, are authorized and directed to execute all documents and to take all actions necessary to cause or facilitate the issuance of the Series C Bonds.

Section 22. Partial Invalidity; Severability. If any one or more of the covenants or agreements, or portions thereof, provided in this Resolution on the part of the District to be performed should be contrary to law, then such covenant or covenants, such agreement or agreements, or such portions thereof, shall be null and void and shall be deemed separable from the remaining covenants and agreements or portions thereof and shall in no way affect the validity of this Resolution or of the Series C Bonds; but the Bond owners shall retain all rights and benefits accorded to them under any applicable provisions of law. The District hereby declares that it would have entered into this Resolution and each and every other section, paragraph, subdivision, sentence, clause and phrase hereof and would have authorized the issuance of the Series C Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this Resolution or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

(b) The Underwriter shall purchase the Bonds at a price of \$_____, which is equal to the \$_____ principal amount of the Bonds, plus an original issue premium of \$_____, less an Underwriter's discount of \$_____. In addition, the Underwriter shall retain and utilize amounts to be applied as set forth in Section 15 hereof, including payment of bond insurance premium paid directly to _____ (the "Bond Insurer"), as further set forth in Section 15 herein. (g) Certificates. Any certificates signed by an authorized officer of the County and delivered to the Underwriter shall be deemed a representation by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. Representations, Warranties and Agreements of the Underwriter. The Underwriter represents to and agrees with the County and the District that, as of the date hereof and as of the date of the Closing:

(a) The Underwriter is duly authorized to execute this Purchase Agreement and to take any action under this Purchase Agreement required to be taken by it.

(c) The Underwriter has, and has had, no financial advisory relationship with the County or the District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

(d) The Underwriter has reasonably determined that the District’s undertaking in the Continuing Disclosure Certificate to provide continuing disclosure with respect to the Bonds is sufficient to effect compliance with Rule 15c2-12.

10. Covenants of the County and the District. The County and the District, respectively,

covenant and agree with the Underwriter that:

(a) Securities Laws. The County and the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, provided, however, that the County and the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

(b) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes for which the Bonds were authorized.

(c) Official Statement. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect in any material respect the accuracy or completeness of any information set forth in the Official Statement relating to the District, until the date which is 90 days following the Closing or until such time (if earlier) as the Underwriter no longer holds any of the Bonds for sale.

(e) Amendments to Official Statement. During the period ending on the twenty-fifth day after the End of the Underwriting Period (as defined below), the District (i) will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Underwriter objects in writing or which is disapproved by the Underwriter (the Underwriter’s approval of such amendment or supplement may not be unreasonably withheld); and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary, to make the statements therein, in the light of the circumstances under which they were made, not misleading. If in the opinion of the Underwriter such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall immediately prepare and furnish to the Underwriter (at the expense of the District) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time such supplemental Official Statement is delivered to a purchaser, not misleading. If any such

amendment or supplement of the Official Statement shall occur after the Closing Date, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such amendment or supplement to the Official Statement. For purposes hereof, the phrase “**End of the Underwriting Period**” shall occur on the later of (a) the Closing Date or (b) when the Underwriter no longer retains an unsold balance of the Bonds. Unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District and the Underwriter, the District may assume that the End of the Underwriting Period is the Closing Date.

 Opinion of District Counsel

Ladies and Gentlemen:

We have acted as District Counsel for the William S. Hart Union High School District (“District”) in connection with the proceedings for the issuance and sale by the District of \$_____ principal amount of William S. Hart Union High School District General Obligation Bonds, 2008 Election, Series C (“Bonds”). The Bonds are being issued pursuant to a Resolution of the Governing Board of the District, adopted on November 7, 2012 (Resolution No. 12/13-21), as supplemented by a Resolution adopted on December 12, 2012 (Resolution No. 12/13-____) (collectively, the “District Resolution”), and a resolution adopted by the Board of Supervisors of the County of Los Angeles (“County”), adopted on _____, 20__ (“County Resolution” and, collectively with the District Resolution, the “Bond Resolution”), in accordance with the provisions of the California Constitution, the statutory authority set forth in Title 5, Division 2, Part 1, Chapter 3, Article 4.5 of the State of California Government Code, Sections 53506, California Code Sections 15264, 15266(b), and, as applicable, the provisions of Title 1, Division 1, Part 10, Chapters 1 and 2 of the California Education Code, commencing with Section 15100 and related California law.

This letter is delivered to you pursuant to Section 12(d)(10) of the Bond Purchase Agreement for the Bonds, dated _____, 2013 (“Purchase Agreement”), entered into by and among the District, the County and Stifel, Nicolaus & Company, Incorporated, dba Stone & Youngberg, a Division of Stifel Nicolaus (“Underwriter”).

Capitalized terms used herein and not otherwise defined herein shall have the meaning(s) given such term(s) in the Purchase Agreement.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. As to questions of fact material to our opinions, we have relied upon the documents and matters referred to herein, and we have not undertaken by independent investigation to verify the authenticity of signatures or the accuracy of the factual matters represented, warranted or certified therein. Whenever our opinion herein is qualified by the phrase “to our actual knowledge,” it is intended to indicate that in the course of our representation of the District in connection with the issuance, sale and delivery of the Bonds, no information has come to the attention of the lawyers in our firm which would give them current actual knowledge (as distinguished from constructive or inquiry knowledge) of the existence of such fact. In making our examination of the documents referenced herein, we have assumed that each party to one or more of the documents referenced herein, other than the District, has the power to enter into and perform its obligations thereunder, has duly authorized, executed and delivered such documents, and that such documents constitute the legal, valid and binding obligations of such party. Furthermore, we have assumed all compliance with all covenants contained in the Resolutions and in certain other documents. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum or waiver provisions contained in the documents described herein. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no opinion with respect thereto.

As District Counsel, we have examined a record of the proceedings in connection with the execution and delivery of the Bonds, including, without limitation, the following:

- (i) the proceedings relating to the call and conduct of the general obligation bond election conducted on November 4, 2008, within the boundaries of the District (“Election”);
- (ii) the District Resolution;
- (iii) the County Resolution;
- (iv) the Purchase Agreement;
- (v) the Escrow Agreement;
- (vi) the Continuing Disclosure Certificate provided by the District with respect to the Bonds, dated as of _____, 20__ (“Continuing Disclosure Certificate”);
- (vii) the Official Statement, dated _____, 20__ (“Official Statement”), prepared with respect to the Bonds; and
- (viii) such other documents, including, but not limited to, certificates of the District and the County delivered in connection with the issuance of the Bonds, as we have deemed necessary to render the opinions set forth below.

With regard to the opinion expressed in paragraph (3) below, we have conducted a search for existing civil actions as against the District, which has consisted of searches of records within the Los Angeles County Superior Court, the Federal District Court with jurisdiction over the boundaries of the District and an electronic search for any such civil proceedings. We have also expressly relied upon the factual representations made to us by the District as to such matters. With respect to the provision of such opinion, we have presumed that the District maintains normal and customary liability insurance, insurance coverage or equivalent self-insurance, and requires normal and customary liability coverage to be carried or provided by its contractors and consultants, with respect to the protection of the District’s financial position. This opinion may be affected by actions or events occurring (or not occurring) after

the date hereof. We have not undertaken to determine, or to inform any person, whether (or not) any such actions or events occur.

Attention is called to the fact the we have not been requested to examine, and have not examined, any documents or information relating to the District other than the record of proceedings herein referred to, and no opinion is expressed as to any financial or other information, or the adequacy thereof, which has been, or may be supplied to any purchaser of the Bonds.

The Bond Resolution and other related documents refer to certain requirements and procedures which may be changed and certain actions which may be taken, in circumstances and subject to terms and conditions set forth in such documents, upon the advice or with an approving opinion of nationally recognized bond counsel. No opinion is expressed herein as to the effect on any Bond, or any related document, if any such change is made or action is taken upon the advice or approval of counsel other than ourselves.

It is to be understood that the rights and obligations of the District under the Bond Resolution and related documents are subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws heretofore or hereafter enacted, affecting the enforcement of creditors' rights and remedies, to the application of equitable principles when equitable remedies are sought, and to the exercise of judicial discretion in appropriate cases.

Based on and subject to the foregoing, and in reliance thereon and our consideration of such questions of law as we have deemed relevant to the circumstances, and under existing law, we are of the following opinions:

1. The District is a public school district duly organized and existing under the Constitution and the laws of the State of California ("State");
2. The District Resolution was duly adopted at meetings of the Governing Board of the District which, in each case, was called and held pursuant to law and with all public notice required by law and, in each case, at which a quorum was present and acting throughout;
3. To the best of our knowledge, based on the litigation search and other informational sources referenced herein, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body pending or threatened against or affecting the District (i) impacting the existence of the District or the titles of its officers to their respective offices, (ii) which would materially adversely impact the District's ability to complete the transactions described in and contemplated by the Official Statement, to restrain or enjoin the levy or collection of tax revenues pledged for the repayment of the Bonds or in any way contesting or affecting the validity of the Election, the Purchase Agreement, the Bond Resolution, the Bonds or the transaction, described in and contemplated by the Official Statement wherein an unfavorable decision, ruling or finding would adversely affect the validity and enforceability of the Election, the Purchase Agreement, the Bond Resolution or the Bonds or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the

Official Statement, or any amendment or supplement thereto, or (iii) contesting the status of the interest on the Bonds as excludable from gross income for federal income tax purpose or as exempt from any applicable State tax, in each case as described in the Official Statement;

4. To the best of our knowledge, the obligations of the District under the Bonds, and the approval of the Official Statement and compliance with the provisions thereof, and the execution of and performance of the provisions of the Purchase Agreement and the Continuing Disclosure Certificate, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the District a breach of or default under any agreement or other instrument to which the District is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the District is subject;
5. The Election was validly ordered and, to the best of our knowledge, the proceedings relating thereto were conducted in compliance with all requirements of the Constitution and the laws of the State; and
6. No authorization, approval, consent, or other order of the State, or other governmental authority or agency within the State, is required, other than any which have been obtained or secured, for the valid authorization of the Bonds, the execution of the Purchase Agreement or the Continuing Disclosure Certificate by the District or the approval of the Official Statement.

We express no opinion with respect to the effect of laws, other than the laws and regulations of the State in full force and effect on the date hereof upon any matter set forth in this opinion.

We have not undertaken any duty and expressly disclaim any responsibility to advise you as to events occurring after the date hereof with respect to the Bonds. We have not undertaken any duty and expressly disclaim any responsibility to supplement or update this opinion letter nor to advise you or any other party if there is a change in law or facts or new facts come to our attention subsequent to the date hereof which may affect the opinions expressed above and/or which may cause us to amend any portion of this opinion letter in full or in part. Furthermore, future acts or omissions of the parties may serve to modify, alter or change the circumstances under which this opinion letter was prepared and upon which the opinions herein were rendered. We have not undertaken to determine, or to inform any person, whether (or not) any such actions or events occur. Also, actions, conduct or omissions by a party may create a situation of waiver, estoppel or novation which would supplant the opinions set forth in this opinion letter.

The opinions expressed herein are based on the facts (as we know, believe or have assumed them to be) and law as in effect on the date of this opinion and, as such, this opinion shall be effective only as of the date of this letter. This opinion is limited to the matters expressly set forth above, and no opinion is implied or may be inferred beyond the matters expressly so stated. We bring to your attention the fact that our legal opinions are an expression of professional judgment and are not a guarantee of a result. No attorney-client relationship has existed or exists between our firm and the Underwriter, and in connection with the authorization, issuance and delivery of the Bonds or related matters thereto. This opinion is issued with all the exclusions and limitations set forth herein. This letter is not to be used, circulated,

quoted, or otherwise referred to by you for any other purpose whatsoever or delivered to any other person without our prior written consent.

Very truly yours,

Bowie, Arneson, Wiles & Giannone

**Re: \$_____ William S. Hart Union High School District
 (Los Angeles County, California)
 General Obligation Bonds, 2008 Election, Series C**

Dear Ladies and Gentlemen:

This opinion is rendered and delivered in connection with the issuance by the Board of Supervisors of the County of Los Angeles (the "County") on behalf of the William S. Hart Union High School District (the "District") of \$_____ aggregate principal amount of bonds designated "\$_____ William S. Hart Union High School District, General Obligation Bonds, 2008 Election, Series C" (the "Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County of Los Angeles, California, adopted on _____, 2012 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted on November 7, 2012, by the Governing Board of the District, as supplemented by a Resolution adopted on December 12, 2012 (Resolution No. 12/13-____) (the "District Resolution").

In rendering this opinion, we have examined the County Resolution, the Bond Purchase Agreement dated _____, 2013 (the "Purchase Agreement"), among the District, the County and Stifel, Nicolaus & Company, Incorporated, dba Stone & Youngberg, a Division of Stifel Nicolaus, as Underwriter, and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and validly existing under the Constitution and the laws of the State of California.

2. The County Resolution approving and authorizing the execution, sale and delivery of the Purchase Agreement and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.

3. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending in which service of process has been completed or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Agreement or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Agreement or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Agreement; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Agreement has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Agreement will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed above, enforcement of the rights and obligations under the County Resolution, the Purchase Agreement and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Agreement or the Bonds.

FORM OF UNDERWRITER ISSUE PRICE CERTIFICATE

\$ _____

WILLIAM S. HART UNION HIGH SCHOOL DISTRICT GENERAL OBLIGATION BONDS, 2008 ELECTION, SERIES C

CERTIFICATE OF THE UNDERWRITER

The undersigned, on behalf of Stifel, Nicolaus & Company, Incorporated, dba Stone & Youngberg, a Division of Stifel Nicolaus, as Underwriter ("Underwriter") of the \$_____ William S. Hart Union High School District General Obligation Bonds, 2008 Election, Series C (the "Bonds") hereby makes the representations, and provides the certifications, contained in this certificate based on the information available to it concerning the Bonds to the William S. Hart Union High School District (the "District") and Bowie, Arneson, Wiles & Giannone, Bond Counsel, as follows:

1. Issue Price.

- 1.1 As of the date a purchase agreement was signed with respect to the Bonds (the "Sale Date"), based upon expectations and actual facts, we reasonably expected to sell a substantial amount of each maturity (i.e., at least 10%) of the Bonds to the general public (excluding bond houses, brokers, or similar persons acting in the capacity of underwriter or wholesalers) in a bona fide public offering at the prices listed on Schedule A.
- 1.2 The Initial Offering Prices of the Bonds of each maturity (and stated interest rates, accretion rates and/or yields) reflected the assessment by the Underwriter of the reasonable range of fair market prices of the Bonds as of the Sale Date.
- 1.3 As of the date of execution of the attached Tax Certificate, all of the Bonds have actually been offered to the general public at the prices listed in Attachment A.
- 1.4 As of the Sale Date, at least 10% of each maturity of the Bonds [(excluding the Bond maturities for _____)] was initially sold to the general public for the respective Initial Offering Prices.

2. Arbitrage Yield.

- 2.1 Bond Counsel has advised the Underwriter that the yield on the Bonds is to be computed under the economic accrual method using an assumed 30-day month/360-day year, and semiannual compounding, and as further described in Section [5.1] of the Tax Certificate. Bond Counsel has advised the Underwriter that the weighted average maturity of the Bonds, for purposes of IRS Form 8038-G, is calculated as the sum of the products of the issue price of each maturity of the Bonds and the number of years to maturity of the Bonds (determined separately for each maturity and by taking into account mandatory redemptions), divided by the issue price of the entire issue. Based upon the forgoing methodologies, the Underwriter has calculated the yield on the Bonds (____%) and the weighted average maturity of the Bonds (____ years). However, notwithstanding the foregoing, the Underwriter reminds those persons

or parties who are receiving and relying upon this Certificate that the Underwriter is not an accountant or an actuary, nor is the Underwriter engaged in the practice of law. Accordingly, while the Underwriter believes the calculations described above to be correct, it does not warrant them to be so. We express no view regarding the legal sufficiency of any such computations or the correctness of any legal interpretation made by Bond Counsel.

3. Credit Enhancement

3.1 The present value of the amounts paid to obtain the Bond Insurance Policy (“Policy”) is less than the present value of the interest reasonably expected to be saved as a result of having the Policy. Present value for these purposes is computed using the Yield on the Bonds as the discount factor for this purpose, adjusted to disregard the fees to obtain the Policy.

3.2 The Policy was a material factor in selling the Bonds at the lowest possible yield (given other characteristics of the Bonds).

3.3 To the best knowledge of the undersigned, the amount paid by the District to the Bond Insurer for the Policy is within a reasonable range of premiums charged for comparable credit enhancement for obligations comparable to the obligation evidenced and represented by the Bonds and represent a commercially reasonable charge for the transfer of credit risk. Such fees do not include any direct or indirect payment for a cost, risk or other element that is not customarily borne by guarantors of tax-exempt bonds in transactions in which the guarantor has no involvement other than as guarantor.

3.4 The fees paid and to be paid to obtain the Policy were determined in arm's-length negotiations and were required as a condition to the issuance by the Bond Insurer of the Policy.

3.5 No non-guarantee services are being provided by the Bond Insurer in connection with the issuance and sale of the Bonds.

4. Defined Terms.

Capitalized terms used in this certificate, unless otherwise defined herein or in the resolution of the Governing Board of the District (Resolution No. 12/13-21, adopted on November 7, 2012), as supplemented, shall have the meaning(s) given to such terms in the Tax Certificate provided in connection with the execution and delivery of the Bonds.

The Underwriter understands that Bond Counsel will rely upon the representations and certifications in this certificate, among other things, in reaching its conclusion that the Bonds do not constitute “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), provided, however, that nothing herein represents our interpretation of any laws, and, in particular, Regulations issued under Section 148 of the Code.
